Description of Need	Up to 350 children rely on the Fire Fighters Association to receive presents each year. Given the current economy, increased demands for the School Backpack Program and increased demands on the food bank, it is anticipated that this will be a busy year.
Goals of the Project	To provide a Christmas present for every child in the community served by the South Bruce Peninsula Firefighters Association. The donation from the Rotary Club will also recognize the support that we receive from the Fire Fighters during our Shore to Shore Race. Without their support our costs would increase by approx. \$1000.
Project Timeline	Fall of 2024, with a completion date of early December 2024.
Total Budget for the Project	\$20 000
Budget Amount Requested	\$1200
Which other organizations will be solicited to help/participate	The majority of the donations are received from individuals in the community although sometimes businesses also make a donation.
How will the success of the project be measured?	Happy children on December 25 <sup>th</sup> .
If applicable, how will the project be sustained / maintained?	The annual toy drive runs completely on community donations.
