Description of Need	<p>We are excited to have purchased a Habitat home in Warton for a new qualifying family. We are currently in the family selection stage and once that process is completed, we will begin renovating the home alongside the new partner family. The home, located on Watson Street requires a new kitchen, new floors, paint as well, some windows will need to be replaced prior to the new owners taking possession.</p> <p>We anticipate the cost of the kitchen to be approximately \$10,000 with the additional required renovations costing approximately \$15,000, for a total of \$25,000. We request your financial help and assistance to renovate this home for a new local family in need. Any support you can offer would be greatly appreciated.</p>
