Mailing Address	1024 2 nd avenue east, owen sound, ON N4K 2H7
Description of Need	<p>This is a project we started during the pandemic. When we weren't able to see students in person, we tried to connect as much as possible so we created "take home" kits. these kits had crafts, snacks, colouring sheets, pencil crayons, and lots of resource information, all stuffed in a large freezer bag. we then handed out these kits with the help of grey and bruce housing at local low income housing areas. To do this, we met the bus when it arrived and/or handed out outside the school and/or went do to door, whatever we could arrange. Often times, we arrived dressed for the occasion. This worked really well as all the situations enabled us to meet and chat with the parents when we handed the kits over - to reassure them who we were but also to chat with the parents about any needs they may have. Over the course of the pandemic, we handed out over 2,500 kits. But we never were able to hand out kits in the Warton area and would love the opportunity.</p>
Goals of the Project	To provide "take home" kits to elementary students in the area on holidays - like March break, summer break, easter, etc.
Project Timeline	for this project, we would love to work on an Easter kit for PSDS students
Total Budget for the Project	500
Budget Amount Requested	500
Which other organizations will be solicited to help/participate	walmart, michaels, deals, national grocers
How will the success of the project be measured?	by the number of kits we can hand out. We would love to be able to hand out 100 kits in the warton area to children and youth for the Easter weekend.
If applicable, how will the project be sustained / maintained?	The is the type of project that we are constantly on the look out for and can consider on a holiday to holiday basis. If we have the budget we can just do more holiday kits
