

## **Community Service Report Community Development**

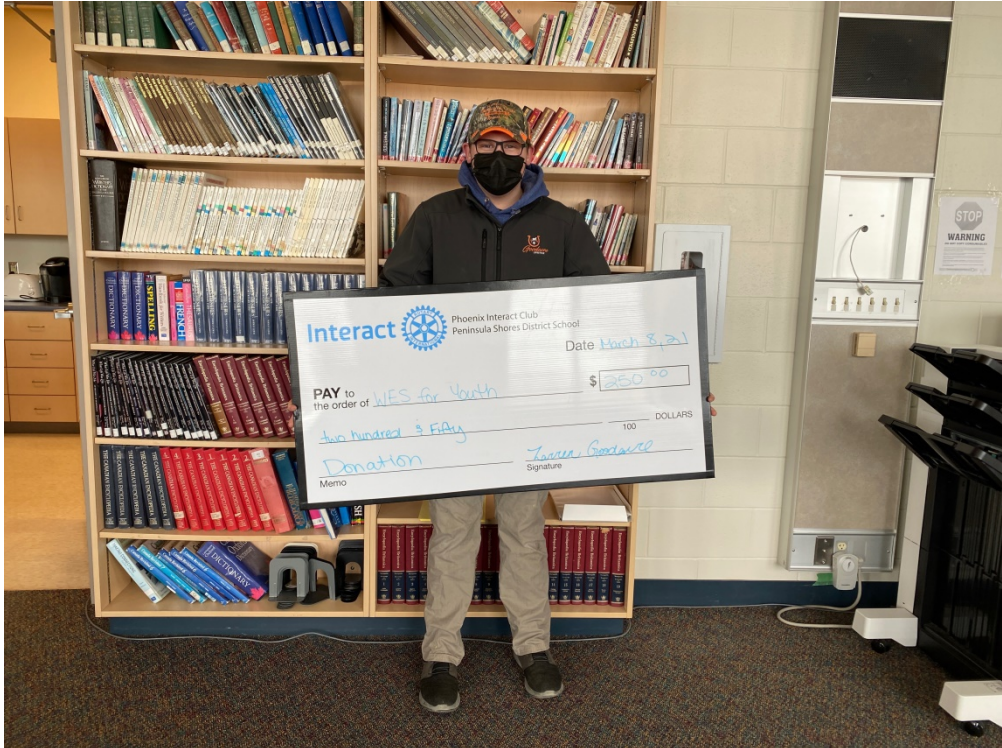

**Plans are going forward to participate in the Wiarnton Community Garden and to maintain the Butterfly garden for another year. There may be an opportunity to establish a bee garden as well working with the Salvation Army.**

### **2021-03 Monthly Report Interact Club**

The Phoenix Interact senior members are continuing to meet and “interact” via Zoom and text messaging.

We will be proceeding this year with Regal Point Farms maple syrup fund raising however it will be at a very reduced level of participation. To ensure the COVID19 safety protocols are followed the school has requested that only the senior members participate in this fund raising.

This month the club has made a \$250 donation to WES for Youth Online. We will also be receiving posters and brochures from WES for Youth Online to be distributed at PSDS.

Zarren Goodacre Phoenix Interact President at PSDS with the presentation cheque for WES for Youth Online.

**No additional reports**
