District 6330 Chartered 1938  
Dinner Meetings –6 P.M. Thursdays  
Royal Canadian Legion Branch 208

## The Gateway Gazette

We were back on Zoom due to the current Covid-19 situation in Ontario.

President Elect Pat chaired the meeting in Trevor's absence.

Pat started the meeting with a sample First Nation Land Acknowledgement statement.

When it came to Birthdays, we celebrated the 84<sup>th</sup> Anniversary of the chartering of the Rotary Club of Warton on Feb 26, 1938.

The agenda for the evening was a business meeting.

Three proposals had been received regarding what we would like to do for a District Grant proposal. All were discussed and the decision was to reach out to Cape Croker residents about doing something with them.

It was agreed to pursue developing a format for a President's Council which would be formed to help the Club President do their job. Too many things are currently being dumped on the President. This will officially revise the position and make it easier for someone to fulfill the role of club president.

To help President-elect Pat prepare for PETS, the Club approved a commitment of \$2500 to TRF and \$2000 Can. to Polio Plus for 2022-23. We will also commit to doing at least 12 community service projects which all members will be involved with.

The March 17<sup>th</sup> meeting has been cancelled since it is two days before Maple Magic.

It looks like all of the volunteer positions for Maple Magic have been filled. An email will be coming from Mike Mason regarding volunteers for cleanup of the site on February 28<sup>th</sup>.
