The Rotary Club of Wiarion

District 6330 Chartered 1938
Dinner Meetings –6 P.M. Thursdays
Royal Canadian Legion Branch 208

September 9, 2021

Meeting started at 6:00pm lead by our New President Trevor Hathaway at the helm.

There were the usual toasts followed by a minute of silence in memory of Fairy Buchanan whom past away this summer. Fairy was a very active member of the Wiarion Legion who served us many delicious meals.

A lovely meal of scalloped potatoes, ham and baked beans salads etc. followed by pie and ice cream. The new team in the Kitchen did a great job and we are looking forward to many more meals in the coming year

Mike Mason was the fine master. There were many Happy Bucks Eric always prided himself of never had any accidents on his farm but that ended during the summer when he was getting one of the elk in a stall. The elk kicked the gate and the gate went back and hit Eric sending him to the ground knocking him out and cutting his head. I think Eric was glad he was still living. Mike Mason had a happy buck for Sparky arising over \$5000.00 collecting empties for a new x-ray machine.

Kathy and Mike Mason celebrated 40 years together. Mike and Brenda McMillan celebrated 36 years together.

There were many Birthdays and anniversaries during the lockdown.

Trevor was our guest speaker and did his “you know I”. Trevor was raised in Kitchener-Waterloo and graduated from Waterloo University. Trevor was a very active person and loved the water. He was a stunt water skier. He could be seen sitting on a chair that was on a disc that was pulled by a boat. He was also in a rock band. He met Holly and they were married in 1978.

Trevor had many an interesting jobs and last one was a place called Babcock & Wilcox until 2013. Trevor was involved in Scouting and Water training youth groups, In 2014 he got involved in Phoenix Interact Club with Mike Mason.

I think you all agree that Trevor makes a great president.

50/50 winner – Bill McKenzie.

Scribe-Ron Balsdon.
