

## Membership Report – Randy Curran

With the recent arrival of John Foris back into Full Membership, the resignation of Kent Sterling for personal reasons, and the movement of Susan Bosch from Full Membership to Friends of Rotary, our official Full Membership currently stands at 27, and Friends of Rotary at 14. We currently have one Visiting Rotarian on record.

All Full Members dues are current, while 7 Friends of Rotary members are well past due, in spite of being advised of their financial responsibilities to the Club. They will be contacted again this week to confirm their intentions. We have experienced a number of instances of members simply forgetting, or not realizing, they hadn't paid yet.

No specific marketing plans have been confirmed at this time for the solicitations of new members, but interest has been expressed recently by at least one individual that needs to be pursued further.
