

## **Responsibilities of the Membership Committee**

Responsible for encouraging new membership, while retaining existing membership in both our Full membership program and our Friend of Rotary program.

This will be achieved primarily from existing member referrals, and working closely with the P.I. committee and its promotional activities to advertise Rotary and its values, thereby attracting public interest of potential new members.

The Chair of this committee also sits on the Executive which meets once a month.

The Membership committee also organizes:

Rotarian of the Year

Paul Harris Evening

Wine and Cheese membership drive

Fire Side Chat

Finding Mentors for New members of both programs

Manages applications for Membership and Friend of Rotary, using proper procedure for membership applications and Friend of Rotary Application

(Approval by membership committee, then approval by executive, and finally the membership)

To encourage retention the membership budget also has an amount for education of new and old members, in programs such as RLI Rotary Leadership Training, Conferences, district meetings etc..
