1. New Club Trading Banner

These have been ordered and we should have them in October.

2. Current Activities

Website - Our website has a brand new look and it has a lot of information. Pictures are now organized and easy to find. Should we spend time at a meeting showing our members?

Members Profiles – We are in the process of gathering information.

3. New Brochures

Printed and ready to go. Remember to let the PI Committee know if you would like a separate brochure to promote any of your activities. If you provide the content and the pictures, we will do the set-up for you.
