Community Services

The Club supported the Wiarion Chamber of Commerce in their Santa event Dec 5th by providing the Owen Sound Kiwanis Club Santa float. There has been no response from the Chamber as to the success of the event.

A collaboration with several classes of Peninsula Shores District School, Wiarion Rotary and Wiarion Foodland supported an event where Christmas cards made by the children were presented to all residents and staff of Gateway Haven along with a cookie treat on the afternoon of Dec 18.

A donation of Christmas hams was made to the Salvation Army for inclusion in their Christmas hampers for families in Wiarion and area.

A \$200 donation was made to Peninsula Shores District School to support the Breakfast Program for Elementary Students.

Interact Club

Through the use of text messaging and e-mails the Phoenix Interact senior members agreed to donate \$750.00 to the Wiarion Fire Fighters Toy Drive.

The donation was made with the express wishes that the funds be used to provide gifts for the older youth (young teens). This request was made because generally the donating public does not often make donations to this age group during the Toy Drives.

Youth Development

A donation was made to Wiarion Kid's Den in the amount of \$750.00
